## NAVAL MILITIA TO LEAVE SEPT. 14 FOR CRUISE

### Officers Urge All Members to Attend Tomorrow Night for Arranging Extra Drills

Officers of the Naval Militia of Hawaii today made public the complete itinerary of the first Naval Militia cruise on board the U. S. first-class cruiser St. Louis. They also urge a complete attendance Tuesday night at 7:30 in the bungalow, Capitol grounds, for preliminary drills and instruction.

The schedule, approved by Adj. Gen. Samuel I. Johnson, N. G. H., and Lieut. Comdr. Victor S. Houston, commanding officer of the St. Louis, is as follows:

Leave Honolulu, from the navy slip on Allen street, Walkiki Pier 6, at 4 p. m., Thursday, September 14. Steamp from this port to the north side of Kauai, and anchor at Waimea for boat exercises at 4 p. m., September 15. Leave Waimea, Kauai, for Honolulu at 6 p. m., September 16, arriving and anchoring off port at Honolulu 6 a. m., Sunday, September 17. Boats from the St. Louis will be sent ashore to pick up those Naval Militiamen who will have taken part in the Regatta Day races the previous day.

At 8 a. m., Sunday, September 17, the cruise will be resumed, leaving Honolulu anchorage for Lahaina, Maui, arriving there at 3 p. m. the same day.

Leave Lahaina at 6 a. m., Monday, September 18, and steam to sea, either to the north or south, two and a half days, doubling back and anchoring at Hilo at 3 a. m., Saturday, September 23. The St. Louis will lie there for 50 hours, giving the men opportunities to see Kilauea volcano and other points of interest on the Big Island.

Leave Hilo at 10 a. m., Monday, September 25, arriving at Honolulu at 6 a. m., Tuesday, September 26. Coal ship in port Tuesday and Wednesday and clean ship Wednesday and Thursday at the naval slip here.

At the Naval Militia's meeting tomorrow night at 7:30 in the bungalow, Capitol grounds, the number going will be decided. Several extra-drills, land and boat, must be held before sailing. It is possible the sea militiamen may go aboard the St. Louis next Saturday and Sunday, August 26 and 27, for final instructions and to familiarize themselves with the vessel. This has not been definitely decided, however.

### 4TH CAVALRY HOLDS DEPARTMENT RECORD FOR RIFLE SHOOTING

The best shot in the Hawaiian department to date, as shown by the records of regular army rifle practice on Oahu this year, is Cpl. William Crichton, Troop E, 4th Cavalry, Schofield Barracks, who is claimed to lead the field with 277 points against 276 held by Cpl. John Holst, Troop M, same regiment. Down a few days ago the best score in the department was 276. Holst equaled it and Crichton went one point better.

The new record has been made as the result of target practice held by the 4th at Schofield Barracks. Crichton had finished with a score of 252 for the last four years, just one point lower than the minimum for expert rifleman, but this year he shattered the "jinx," making not only the expert rifleman rating, but leading all troops on Oahu in his skill with the rifle.

Unless the battalions of the 1st and 25th Infantry do better, Cpl. Crichton will have this year's shooting honors intact in his possession.

### FRAZIER IS RETIRED AT HIS OWN REQUEST

At his own request, Major Joseph Frazier, 26th Infantry, former major of the 1st Infantry, Schofield Barracks, has been placed on the retired list after 30 years of service. His reason is understood to Mrs. Frazier's failing health.

The major has seen service in Cuba, the Philippines and China. In the latter country he accompanied the 9th Infantry, participating in the Boxer campaign in all the engagements on the march from Tien-tsin to Peking. He came to Hawaii in 1912 and was transferred from the 1st Infantry to the 26th on the border about a year ago.

## Fort Shafter Notes

(Special Star-Bulletin Correspondence)  
FORT SHAFTER, Aug. 19.—Sgt. Clyde Flander, formerly of H Co., has been transferred to the Supply Company as sergeant. There will be no longer a quartermaster in a regiment, but Capt. A. C. Knowles has become captain of the Supply Company, to which have been attached the non-commissioned and enlisted personnel allowed by the new law and among those will be included the above-named sergeant.

The commanding officer of Co. D announces that Pts. Bernard C. Carter and Fred Wells have been promoted to the grade of corporal. D Co. has sustained many losses in its non-commissioned officers in the changes incident to the formation of the 32nd Infantry.

Monday, Aug. 21, is the day appointed by the department headquarters for the final competitive examination of Sgt. Eugene M. Landrum of G Co., 32nd Infantry, formerly of the 2nd Infantry, and Muscician Corday W. Cutchin, Co. H, 2nd Infantry. The examining board, which will meet to conduct the examination for Muscician Cutchin will consist of Major Eugene J. Hartnett, Medical Corps; Capt. Otto B. Rosenbaum, Capt. John Randolph, both of the 2nd Infantry; 1st Lieut. Raymond W. Bliss, Medical Corps, and 1st Lieut. Alfred H. Hobbey, 2nd Infantry. This examination is a competition of all the enlisted men of the army, who have passed the physical, mental and moral preliminary examinations, and will be conducted by examination boards almost simultaneously throughout the army for the candidates successful in the first examination. The results will be sent directly to the war department, and the marks attained in this final test will decide as to what enlisted men will be advanced to the rank of second lieutenants and be commissioned officers in the army. It is sincerely hoped by all his friends that Muscician Cutchin will be rewarded for his hard work of preparation in successfully passing the final tests, and that Sgt. Landrum now of the 32nd, will also receive his well-deserved advancement.

1st Lieut. Paul S. Reinecke and 1st Lieut. Raymond A. Wheeler are ordered to report to the examining board at Fort Shafter for their examination for advancement to the rank of captain. They are to be congratulated, as the promotions in the Corps of Engineers are even more rapid than usual, owing to the numerous changes and promotions due to the increase caused by the army reorganization bill of last June.

Lieut. Adrian K. Polhemus is being congratulated upon his successful score and qualification as "expert rifleman" while conducting the rifle practice of the Machine Gun Company. Lieut. Polhemus had the highest score in that organization, attaining a record of 264. The company, counting the holdovers from last year's gradings, has qualified 6 expert riflemen, 3 sharpshooters and 21 marksmen. The highest score next to that of Lieut. Polhemus was 259 attained by Pvt. John H. Chambers. The company will now engage in the annual practice with the Colt's automatic pistol, and the results of that contest will be announced later.

2nd Lieut. Edward L. Hoffman, a popular former officer of the 2nd Infantry, whose mechanical genius was often demonstrated while at Fort Shafter, one instance being the successful building of a large motor boat and the installation of its intricate engine while he resided in the cantonment, has had his ability and knowledge of engines appreciated by the war department and has been placed in charge of some of the repair work in the machine shops located at Columbus, New Mexico. These shops are used by the U. S. government for the repair of motorcycles, trucks and automobiles used by the force on the border, especially for those in action in connection with the "General Pershing punitive expedition."

FORT SHAFTER, Aug. 21.—Lieut. Col. Weigel was the first of the 2nd Infantry to receive his commission for his new rank, the result of the recent advancement. It is dated June 12, and the oath accepting the commission to the advanced office was administered to Lieut. Col. Weigel by Lieut. Alfred L. Rockford, judge advocate of the general courts-martial.

Lieut. Joseph A. McAndrew has selected the quarters formerly occupied by Lieut. Woodfin Jones, that is, No. 1, cantonment, on the main road; while quarters No. 33, the former residence of Lieut. McAndrew, will now be occupied by Lieut. Alfred H. Hobbey.

Maj. Eugene H. Hartnett, the post surgeon, recently transferred from Schofield Barracks to take the position vacated by Maj. B. J. Edgar on

## ATTENDANCE AT RIFLE-PRACTISE OF GUARD POOR

Extremely poor attendance marked the instruction practise held Sunday by the 2nd Battalion, 1st Infantry, National Guard of Hawaii, on the new Punchbowl rifle range constructed by the guard.

About 60 men were present out of a total strength in Companies E, F, G and H, composing the battalion of close to 280 men. National Guard headquarters said today that unless attendance is better completion of target practise will take much longer than with full attendance. Practise is compulsory and must be held every year.

Next Sunday the 3rd Battalion of the 1st Infantry will hold instruction practise. The companies in this battalion are big companies, Company I, Hawaiian company, and Company M, the Filipino organization, containing nearly 90 men each. The minimum guard is 65.

### BOARD IS NAMED TO CONDUCT ARMY EXAMS.

A board of officers has been appointed by orders from the War Department to meet at the call of the president to examine for promotions Capt. Charles S. Lincoln, 2d Infantry; 1st Lieut. Eugene Robinson, 25th Infantry, and 1st Lieut. Elmer F. Rice, 1st Infantry.

On the board are Maj. F. H. Albright, 25th Infantry; Maj. Francis E. Lacey, Jr., 1st Infantry; Maj. Thomas F. Schley, 25th Infantry; Capt. Harry H. Blodgett, Medical Corps, and 1st Lieut. Harry N. Kerns, Medical Corps.

his assignment to the department hospital, has chosen the quarters formerly occupied by Lieut. Col. Benjamin W. Atkinson in the main post.

Guy H. Hughes, private first class, medical department, will be one of the newcomers to the Fort Shafter dispensary. Formerly he was located at Schofield.

By a recent order the names of the two buglers of each company of the 2nd Infantry will be reported to headquarters. Each company will always be provided with two qualified buglers and the supernumerary bugler will report for practise to the sergeant bugler each day when possible. All buglers of the 2nd Infantry, except those engaged in combat exercises during garrison training period or those on guard will report to Sergeant Bugler Kemp at 7:30 each morning.

Sgt. Ganey Wilson, formerly of Company A, has now become Sergeant in the Machine Gun Company, and Pvt. Luther Brown has been advanced to corporal in B Company, while Pvt. Bernard Feuer of Company E has been transferred to Headquarters Company.

H. S. Hayward, the local commissioner of the Boy Scouts, has the authority of the department commander to secure the services of one mess sergeant and two cooks from the organizations at Fort Shafter, for the annual rally of the scouts of Oahu, which will take place September 2 to 9 inclusive. The mess sergeant and the cooks while thus engaged will be paid for their services, and will be placed "on pass" while absent from their companies. If no applications should be received for this duty the men will be selected for the details by lot from those companies which did not lose their mess sergeants or cooks in the recent organization of the 32nd Infantry.

The officers of Fort Shafter have been informed that the service practise of the coast artillery posts will be discontinued until Tuesday, August 22, on that date Battery Jackson, Fort Kamehameha, with its 6-inch rifles will fire at 8 in the morning, while Battery Hasbrouck, at the same post, will have night practise at 8 in the evening of the same day; the trial shots for the late practise being fired as near 5:30 p. m. as possible.

The following men have been made sergeants in D Company, 2nd Infantry: Walter J. Jastrzemski, Charles F. Wilkins, Frank E. Hinton, Arthur Wheeler, and the men whose names follow become corporals: Nathan Ellner, Eli Roberts, Frank W. Serpy, Floyd Hallerbach, Joe Doylerawa, Fred A. Ebisch and William M. Green. These changes are due to promotions to the vacancies caused by the organization of the 32nd Infantry.

Further changes in the Quartermaster Corps at Fort Shafter have resulted in Samuel E. Lyth becoming a corporal, assigned to the work as detachment clerk, while Henry Arnold was raised to corporal and assigned to duty as storekeeper of the subsistence department. Edward Binz will be corporal palmer of the post, and Bee W. Mills, formerly gardener of Fort Shafter, has become assistant wagon master. Corp. Ellis will continue to attend to the building of the roads in the cantonment. Corp. Ward, who was assistant wagon master, has been made sergeant, which will make him overseer wagon master. Headquarters Company, 2nd Infantry, will gain by transfer Pvt. Frank L. Cox. Dan D. Wood of the Headquarters Company will become sergeant.

The undersea raiders will cruise to and around the islands of Maui, Lanai and Kahoolawe, and will return probably Saturday.

At the same hour Wednesday morning the U. S. S. Alert, tender for the third division, will also leave, on a similar cruise, following in general the same course as the submarines. She will also return Saturday, according to Lieut. Comdr. Thomas C. Hart, commanding the division.
